Dear Mr. ██████████

Thank you for your letter of August 26. September 16 from 2-4 seems fine.  
If you have any problems I will be staying at Dacor House, 298-7333.

My interest in China is primarily in the domestic area, including of course economics. However, when dealing with a totalitarian state like China, all areas of policy are interrelated. I definitely would like to talk about Chinese foreign policy as well.

I appreciate your help and look forward to meeting you on September 16.

Sincerely,

A handwritten signature in cursive script that reads "Jacob Walkin".
